

Integrated Corporate Vision of Optimum Clean GmbH

Integrated Corporate Vision of Optimum Clean GmbH

Since our founding in 2017, Optimum Clean GmbH has represented a fresh, innovative approach in the cleaning sector. Our modern corporate foundation enables us to be agile and adaptable, always integrating the latest technologies and methods.

Our Corporate Mission:

"Designing quality, living quality, preserving quality."

As a modern company, we are proud to meet the expectations and needs of all stakeholders with a contemporary and forward-looking approach, always respecting all relevant laws and regulations. Our commitment to environmental protection, occupational safety, and efficient energy management reflects our future-oriented mindset.

We value and respect the work and dedication of each individual and are always striving to act with transparency, integrity, and fairness.

Optimum Clean GmbH stands firmly against human trafficking, forced labor, exploitation, and child labor.

Through our progressive management, we ensure that all necessary resources are always provided to realize our vision of a modern and integrated management system. Our business processes are geared towards effectiveness and goal achievement and are regularly reviewed.

Customer Retention:

At Optimum Clean GmbH, the customer plays a central role in our business philosophy. We understand that each customer is unique and has individual needs. Therefore, we strive not only to offer high-quality services but also to tailor them to the specific requirements of each customer.

Future Assurance:

Our dynamism and expertise enable us to act in a forward-looking and cost-efficient manner.

As a young and innovative company, we always strive to anticipate the needs of our customers. By employing the latest technologies, continuously training our employees, and being open to feedback, we can continuously improve our offerings and services.

Employee Retention:

Our leaders and employees are closely involved in the company's development. At Optimum Clean GmbH, all opinions and ideas are welcome, and we rely on an open and collaborative culture.

At Optimum Clean GmbH, we value and promote transparency and integrity. Therefore, we offer all our employees a safe and anonymous way to report any concerns or misconduct within the company. We encourage everyone to speak up if they notice unethical or inappropriate behavior. Together, we can ensure an open and responsible working environment.

Supplier Partnership:

Our collaboration with suppliers is based on shared values. Quality, environmental protection, and occupational safety are at the forefront. We select partners who share our high standards and pursue innovative and energy-efficient methods to create sustainable value together.

Environmental Protection and Energy:

We are committed to responsible resource management and continuously strive for ecological sustainability. Through our website, www.optimumclean-solutions.de, we inform the public about our environmental protection efforts.

Occupational Health and Safety at Optimum Clean GmbH:

For Optimum Clean GmbH, it is of utmost importance to sustainably ensure and continuously optimize the health and performance of all our employees. We confirm that Optimum Clean GmbH complies with all instructions and regulations of BG Bau while also operating according to the requirements of our ISO 9001:2015 quality management system. Additionally, we consistently adhere to all legal requirements to ensure the safety and health of our employees.

The management of Optimum Clean GmbH is committed to creating health-promoting working conditions to guarantee safety and health in the workplace. Through targeted preventive measures, we minimize risks and potential hazards to an absolute minimum. Our priority lies in adhering to our occupational safety guidelines and health-promoting working conditions. This serves both the well-being of our employees and the long-term stability and success of our company.

As leaders at Optimum Clean GmbH, entrepreneurs and managers act as role models for safe and health-conscious working. Each employee is aware of their responsibility and actively contributes to preventing accidents, work-related illnesses, and health risks in the workplace.

We at Optimum Clean GmbH actively involve all our employees in decision-making processes relevant to occupational safety.
